ABOUT COMPANY

We understand Nature of water.

With this simple philosophy we create brand DBI with the mission to create a good product that is honestly made and sincerely sold.

DBI brand of faucets and accessories stand on two professed benchmarks of constant innovation and uncompromising quality.

The traditional relationship of pride of the craft is combined with the speed and precision of machinery, along with the specification provided by the clients, to foster a new blend of art and technology.

Since our specialty is in manufacturing Bathroom Fittings per Plumber satisfactions, stringent quality control steps at every stage is essential.

Quality control at DHANANJAY BATHFITTING INDIA starts with a exacting check of raw material as per your requirement and is maintained throughout the manufacturing process till final dispatch. We have a team of engineers to respond to your command. Our varied products cater to an ever increasing spectrum of industries and firms.

For delivering customized brass components and final products to any business partners, firms and distributors, we at DHANANJAY BATHFITTING INDIA, are fully geared to assist every step of the way from actual design to quality fabrication.

Warranty Terms & Condition

- DBI warranty is against manufacturing defect & Cartridge on limited faucets series for 7 years for residential installation & 3 years for commercial installation.
- DBI don't provide plumber service to end users.
- Warranty shall apply to products or parts thereof, which have been repaired by authorizes or qualified person using genuine spare parts.
- DBI has the right whether to repair, replace or make appropriate changes to fix the issues. DBI is not responsible for installation costs or any consequential expenses.
- The warranty is for manufacturing defects and it's not applicable on washer, rubber, spring, Hose pipe & other plastic items.
- This warranty is confined to first purchaser of products only.
- Customer is required to keep GST paid original invoice and warranty cards.
- Damage of any products or parts thereof due to any of the following causes will not be covered under this warranty.
 1. Misuse, negligence, accident or faulty installation.
 2. Use of dirt, hard water, lime scale or aggressive cleaning chemical.
 3. Improper maintenance of the product.
 4. Normal wear & tear.
- The company is not liable to pay for any civil or construction work required during installation of new products or replacement/repair of old product.
- In case of replacement the product is replaced with the same one. If the product has been discontinued then the customer has to pay proportionate amount on the current MRP.
- In case of any dispute this warranty is subjected to jurisdiction of Jamnagar courts only.
- Pictures shown are for illustration purpose only actual product may vary due to product enhancement.

Customer Responsibility & Maintenance

- Every Product has limitations and may deteriorate from handling, cleaning and exposure to environmental condition which is unavoidable. Proper care would ensure that these products last a longer life.
- Do not use scrubbers, abrasive, harsh washing powder or chemicals.
- Remove and clean aerator mess from time to time to avoid clogging.
- Leftovers of building materials, dirt/impurities to be flushed out from the plumbing line before fixing faucets.
- For ideal working of plumbing fixtures minimum & maximum water pressure to be 0.7 bar and 2.5 bar respectively.
- Place the outlet point in the overhead tank at least 25cm above the ground level. It prevents the flow of foreign particles, sand etc.
- Insist on genuine spares from company's authorized stockiest.
